

# HOME SERVICE PLAN

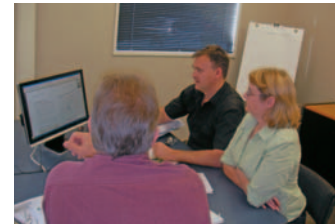

Protect your house's sale value and take the hassle out of building maintenance for just \$25 a month.

Give yourself the advantage of having the Step Up Group as your building maintenance partner. The Home Service Plan combines moisture readings and complimentary professional support, tailored to your needs.

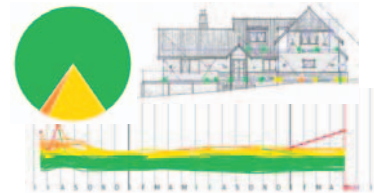

Moisture Readings

The Home Service Plan provides essential ongoing services to start and support the identification and management of building performance and later improvements.

Professional Support

It also helps you keep your building in good condition and ready for resale by documenting independent proof of its condition and performance.

Proof of Performance

The Home Service Plan is exclusively available for homes that have the Mdu Probe System installed.
